Mission and Philosophy statement

Danila Kumar International School offers two transformational, trusted, and reputable International Baccalaureate programmes: The Primary Years and the Middle Years Programme (first three years). These programmes ensure high-quality education that encourages lifelong personalized learning and supports learner agency.

With stimulating and supportive learning spaces and environments we scaffold quality learning and development of our students.

A comprehensive, inquiry-based and student-centred approach to teaching and learning focuses on inclusivity and fosters intellectual, physical, emotional and social development, in order to develop good learning habits and promote positive attitudes, which we monitor and scaffold with rigorous and holistic assessment.

We place strong emphasis on timeless concepts, intercultural understanding, respect, multilingualism and global citizenship, which aim to create a better and more peaceful world.
