

## Due on 6<sup>th</sup> December

During Investigation, you have researched your service.

Now, you can make a plan of how to carry it out. This could, for example, include doing further research, contacting people, and preparing materials for advertising your action (banners, advert on school radio/newsletter/website, animation, visit organizations/groups/people...).

### Create a plan

Using the “Project work plan” that can be found below, outline:

- What needs to be done?
- Who will do it?
- When is the deadline?
- What do we need?
- Possible additional research.

Complete the individual reflection task - choose one learning outcome and answer the questions connected to it in a video or voice recording.

### PROJECT WORK PLAN:

	<b>WHAT</b> What needs to be done?	<b>WHO</b> Who will do this?*/**	<b>WHEN</b> When is the deadline?	<b>WHAT</b> What do we need?	<b>OTHER</b> Possible additional research.
